

Panel Socket

Schuko type panel socket

200 250 V ~

16 A

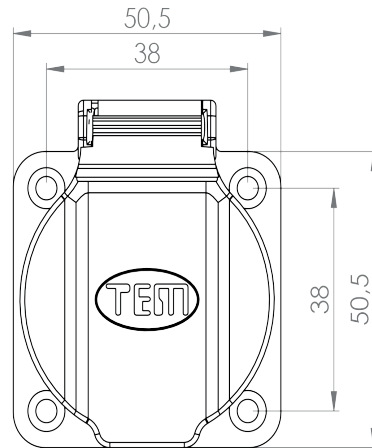

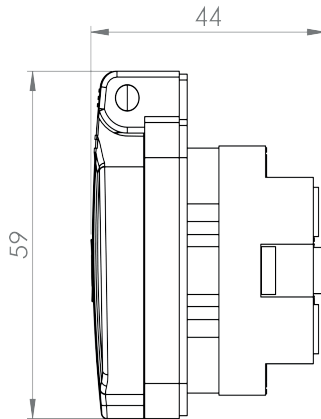

2P +  $\perp$

CODE: 216.216.160

## TECHNICAL DETAILS

|                                      |                                                     |
|--------------------------------------|-----------------------------------------------------|
| Designation:                         | German Socket 2P+E                                  |
| Connection Method:                   | 3 Pole Screw Terminal 16A Max (2,5mm <sup>2</sup> ) |
| Standard:                            | DIN 49440 1:2006 01                                 |
| Protection:                          | IP 54                                               |
| Connection:                          | Screw Terminal                                      |
| Net Weight:                          | 51 gr                                               |
| Casy Cover Plastic Material:         | PA6                                                 |
| Contact Contacting Plastic Material: | PA6                                                 |
| Contact Material:                    | MS 67 Brass                                         |
| Instalation Temperatures:            | 25 ... +60 °C                                       |
| Heat Resistance Level:               | V2                                                  |

### Packing Details:

|           | Inner Quantity | Dimensions | Gross Weight | CBM      |
|-----------|----------------|------------|--------------|----------|
| Box       | 48pcs          | 21x29x12cm | 2.638 kg     | 2.64     |
| Cardboard | 624pcs         | 49x54x42cm | 32.754kg     | 37.04 kg |
